A PLACE BETWEEN MOUNTAIN AND SEA

There are places that invite you to slow down, breathe deeply and rediscover the simple pleasures of life.

Nestled in the peaceful surroundings of Tučepi, at the foot of majestic Mount Biokovo, **Villa Laurante** offers a distinctive perspective on the Dalmatian coast, where dramatic mountain landscapes meet the endless blue of the Adriatic.

A contemporary interpretation of a traditional Dalmatian house, the villa brings together modern architecture, natural textures and the timeless character of the Mediterranean.

Surrounded by olive trees, pines and the scents of the landscape, it offers a private setting in which panoramic views, generous spaces and a sense of tranquillity become part of everyday life.

Here, luxury is not simply about what surrounds you.
It is about how you feel.

Space to breathe. Time to reconnect. Freedom to enjoy every moment. We believe that an exceptional stay begins with a warm welcome. Upon your arrival, it will be our great pleasure to greet you in person, hand over the keys, and take you on a detailed tour of the property.

This approach allows you to feel at home from the very first moment, with all the information you need at your fingertips. Our aim is for you to settle in immediately and fully enjoy the comforts and luxury that **Villa Laurante** has to offer.
